**FOOTNOTES AND KEY:**

\*\*\* EPD and value indexes as reported on 8/5/11

\*\* Exceptional Calving Ease (actual birth weight less than 80 lb. and birth weight EPD less than 2.0, OR birth weight EPD less than 1.0).

\* Moderate Calving Ease (actual birth weight less than 90 lb. and birth weight EPD less than 3.0, OR birth weight EPD less than 2.0).

D-P = Pathfinder Dam

GD-P = Pathfinder Granddam

P-P = Pathfinder Dam AND Granddar

{ Pathfinder Awards are issued by the American Angus Association to cows which consistently

{ demonstrate superior maternal ability (reproductive efficiency and milking ability),

NHC = indicates this bull DNA tested positive as a carrier of the recessive gene for neuropathic hydrocephalus (NH)
